PRIVILEGE CRITERION

Provisional Privileges: Provisional privileges, during the first 6 months of practice of the procedure at Presbyterian Hospital of Rockwall, are conferred to facilitate the pursuit of full anesthesiology privileges at Presbyterian Hospital of Rockwall. With this classification, it is appropriate for the physician to assist in cases and complete any proctoring requirements to meet full privilege requirements for Presbyterian Hospital of Rockwall.

Special procedures: Unless otherwise set out in this document, successful completion of an approved, recognized course when such exists, or acceptable supervised training in residency, fellowship or other acceptable experience; and documentation of competence to obtain and retain clinical privileges as set forth in medical staff policies governing the exercise of specific privileges.

Use of Laser: Completion of an approved 6 hour minimum CME course which includes training in laser principles of safety, basic laser physics, laser tissue interaction, discussions of the clinical specialty field and hands-on experience with lasers. A letter outlining the content and successful completion of course must be submitted, or documentation of successful completion of an approved residency in a specialty or subspecialty which included training in laser principles and safety, basic laser physics, laser tissue interaction, discussions of the clinical specialty fields and a minimum of 4 hours didactic and 2 hours hands-on experience with lasers.

Moderate Sedation: For initial clinical privilege request, physicians must read the Moderate Sedation Self Directed Learning Activity, take and pass a post test with a passing score of 80% or better and documentation current ACLS certification or document successful demonstration of airway management, oral airway insertion and ambu bag usage.

Observation / Proctoring Requirements: Guidelines, scheduling, payment and approval process for the proctoring programs are defined in the Medical Staff policy.

Reappointment Requirements: Current demonstrated competence and an adequate volume of current experience with acceptable results in the privileges requested for the past 24 months based on results of quality assessment/improvement activities and outcomes. Practice will be monitored for the first 12 months as per JCAHO guidelines.

Continuing Medical Education: In compliance with JCAHO standard, the physician must participate in continuing medical education (CME) as per state licensure regulations, outlined by the medical staff by-laws rules and regulations.

Participation in Societies: Active participation in societies related to this field is also strongly recommended.

Note: If any privileges are covered by an exclusive contractual agreement, physicians who are not a party to the contract are not eligible to request the privilege(s), regardless of education, training and experience.

ACKNOWLEDGEMENT OF PRACTITIONER

I have requested only those privileges for which by education, training, current experience and demonstrated performance I am qualified to perform and for which I wish to exercise at Presbyterian Hospital of Rockwall, and

- 1) I understand that:
 - a) In exercising any clinical privileges granted, I am constrained by any Hospital and Medical Staff policies and rules applicable generally and any applicable to the particular situation and agree to be proctored.
 - b) Any restriction on the clinical privileges granted to me is waived in an emergency situation and in such situation my actions are governed by the applicable section of the Medical Staff Bylaws or related documents.

- 2) I do attest that I have participated in continuing medical education activities related to the privileges I have requested.
